

Kindergarten Tots Spread Yule Cheer At Oak Forest

Making people happy was in the minds and hearts of the children from Orchard Hill farm kindergarten as they visited 20 wards of the Oak Forest sanitarium at Oak Forest, singing Christmas carols and distributing cookies and picture calendars they had made. Helping the children spread Yuletide cheer was Mrs. Carl Marienfeld of Frankfort, Mrs. A. C. Halverson of Mokena, Mrs. Robt. Chana, Mrs. Harold Kent, and Mrs. Irvin Verdun of Tinley Park.

In their work classes the children have been busy making papier mache candy dishes for their mothers and clay ashtrays for their fathers. They have enjoyed planning pleasure for others, and on Saturday, Dec. 19, will have pleasure of another kind when they visit the Good-mantel in Chicago to see "Cinderella."

Angels made by the children and a tree they have decorated themselves will greet their mothers on Dec. 22 at the annual Christmas party. There will be a Christmas grab-bag, a cartoon of "The Night Before Christmas," and even a surprise Santa Claus laden with candy and gifts. Mothers will be treated to coffee and colored movies taken by Mr. Johnson depicting this year's kindergarten activities.

Lottie O'Neill to Run for Re-Election As State Senator

Mrs. Lottie Holman O'Neill who has served as state senator from this district for the past term, and who needs no introduction to the people of this vast area, has announced her intention to become a candidate for the same office next year. The announcement was made last Friday at the Woodbridge Country Club in DuPage county at a 12:30 luncheon.

It will be recalled that Mrs. O'Neill was the first woman to serve in the Illinois state legislature following the passage of women's suffrage. During all her untiring and sincere service to her state and country, and with the vast experience gained through these years has made a valuable senator.

Bible Sunday Brings Century Old Bibles Into View

Universal Bible Sunday was observed at the usual morning service of the Green Garden Methodist church.

The junior class of the Sunday school, with Mrs. Alfred Krapf as teacher, conducted a Bible exhibit consisting of 25 Bibles, including some printed in German. The Bibles were placed in front of the altar table.

Rev. D. B. Munson spoke briefly about them, and after the service the congregation viewed the books, among which were several more than a century old.

The oldest Bible was brought by Mrs. Christiana Krapf of Manhattan, and belonged to her parents, the former Mr. and Mrs. Adam Andres. Another brought by Elmer Bettenhausen was also over 100 years old. It had formerly belonged to his mother, the former Mrs. John A. Bettenhausen.

A Bible more than a century old was also brought in by Charles Krapf. The book belonged to his parents, the former Charles Krapf. Mr. Adolph Ullrich had a Bible on exhibit that had been in the family for more than 90 years.

Correction

In last week's issue it was stated that starting with last Sunday, Dec. 13, the Mokena Methodist church would change its hours of service, for a nine week trial. This was in error, with regard to the date. The change in service will not take place until Jan. 3, the first Sunday in January.

Starting with this date, Sunday school will be at 9:30 a. m. and church services at 10:45, in stead of church services at 9:30 and Sunday school at 10:30 as heretofore.

SEEK IDEAS FOR MOKENA'S NEW PARK

What should Mokena's new park contain? That is the question now before the park committee and they would like to receive suggestions from all concerning recreational facilities desired.

Ball diamonds, tennis courts, volley ball courts, horseshoe pits, shuffleboard courts, --any number of things are desirable, but what exactly is our need? What facility will receive the greatest use? Is the demand greater for one type of activity than another? What installation will serve the maximum number of people -- at the earliest possible moment?

While a large construction is not anticipated this year, it is essential that the park be planned, not haphazardly but with care and consideration. Even though professional help is anticipated in laying out this park, the plan must conform to the needs of the individual community and must be considered before construction begins. Therefore everyone is asked to give their ideas to Dean Rueckert, committee president, or to any committee member. Write, phone, or just stop them on the street if that is convenient, the important thing is to let them know what you want.

The committee will meet January 4, in the home of Mr. Rueckert when the subject of facilities will be discussed.

A survey of the park property is being made and it is anticipated that it will be completed and mapped in time for the January meeting.

Trump Chevrolet To Show '54 Models Friday, December 18

Robert C. ("Bob") Trump, Frankfort Chevrolet dealer, announced Tuesday that some models of the new 1954 Chevrolet will be on hand for the 1954 showing, commencing Friday Dec. 18.

The distinguished record of the 1953 models will be surpassed by the 1954 models in beauty of design, luxury of appointments and flashing, economical performance, he said.

We are promised luxury-car performance, small car economy and custom built quiet in the 1954 Chevrolet by the manufacturer, which has stood at the top of the auto industry over a period of 23 years. Again, in 1954, Chevrolet will feature the car that has more things that more people want than any other car manufacturer, Mr. Trump says.

Square Dances, Movies, Dropped During Holidays

Garritt Swart, chairman of the Mokena PTA, announces that the Saturday schedule of square dancing and movies will be discontinued until after the Christmas holidays. The regular schedule of square dancing on the first and third Saturdays with movies on the second and fourth Saturdays, will be resumed in January.

The next square dance will be held Saturday, January 2, in the Mokena school gym.

Front St. Takes On Yule Appearance

Santa Claus can come any time now, for Mokena is all in readiness. The light poles on Front street, from Dunham's hardware store to Wolf road, have taken on a holiday appearance, with a little Christmas tree and a little red wreath adorning each.

These decorations, which were made under the auspices of the Mokena Business Men's Association, will remain up until after New Year's.

Community Tree on Way From Northwest

Mokena's community Christmas tree is expected here any day now. It is being shipped from the Northwest, with a load of lumber, and is being donated by the New Lenox Lumber and Hardware Co.

It will be set up, decorated and lighted by the Mokena Civic Association, who will sponsor the annual caroling around the Christmas tree on Front St., in the usual place, Monday evening, Dec. 21, starting at 7:30 p. m. Santa Claus will be on hand with a gift for every child.

The Civic Association announces that the outdoor lighting contest for homes will be judged on Wednesday evening, Dec. 23 for Mokena and vicinity which includes the nearby subdivisions. There will be first, second and third prizes, and honorable mention awards.

Lincoln-Way Students Attend Council Meeting

Superintendent Chapman accompanied four future students of the Lincoln-Way high school to the Student Council meeting at the Reavis high school Dec. 8. These students were: William Heidrich of New Lenox, Marilyn Cooper, Mokena, Janice Johnson of Frankfort and Betty Rovenhagen of Manhattan.

The student councils in the Southwest Suburban Conference were sponsoring this joint meeting, in order to bring these students together, and to discuss their mutual problems and activities in the different schools. This Conference, of which Lincoln-Way is a charter member, has taken an active interest in all school activities, and has encouraged such meetings among the students.

These four students were selected by the elementary teachers in the four villages in the district, together with Mr. Chapman. They are all sophomores in the Joliet Township high school. Their experience gained in student government will be of considerable help next year, when the various classes and organizations are formed. At that time, all students will be elected to the different offices by the students enrolled in school.

After the business part of the meeting, all students were shown the different departments and class rooms in the Reavis school. Afterwards, a luncheon was served in the Home Economics Department, by their home making students.

Mr. Ralph Wright, assistant principal, will be the faculty supervisor of the Lincoln-Way Student Council next year.

CORN GROWERS TO REPORT CROP ACREAGE

It has been reported by the local committeemen of the ASC that all corn producers in the counties of Will and Cook should make certain that a crop acreage report is placed on file with their county ASC committeeman (formerly PMA).

Adam F. Heisner is chairman for the Will county committee, and Ray Callahan for the Cook county committee. According to these committeemen, "it is quite possible that corn acreage allotments may be necessary for acreage allotments for the 1954 crop. In order to prepare for this possibility it is essential that the committeemen obtain certain crop data for every farm on which corn was planted for any purpose in any of the years from 1951 thru 1953. This information is needed not only to insure each farmer that he will receive his fair allotment, but also to make certain that the county will receive its full share of the State allotment."

During the past several weeks, community committeemen and reporters have been endeavoring to call on all known corn producers in order to secure this needed data. It is quite possible that some few farmers may have been missed. If any farmer has not been contacted by a reporter or has not otherwise turned in the required information by Dec. 18, 1953, it is urged that they immediately call on their above named committeeman, or stop at their local office to give the required information. The office for Will county is located at 157 No. Ottawa St., Joliet, and for Cook county at the Farm Bureau office in Tinley Park.

Mokena Man Burned With Gasoline in Accident at Home

Anthony Consola, 37, of 171st St. and Mokena Rd. was rushed to Silver Cross hospital early Monday after he suffered second and third degree burns on both arms and both legs.

He had been attempting to light an oil stove in the garage attached to his home when a can of gasoline standing nearby was ignited. He was given emergency treatment and on Tuesday his condition was reported as fair.

Consola's wife, Mary, told Police Chief Whitney Carter that she saw her husband come to the garage door with his clothes on fire. She quickly rolled him on the floor and extinguished the flames. He was taken to the hospital by Chief Carter and Fred Steinhagen.

CAR AFIRE

While returning home early yesterday from taking her husband to the train, Mrs. Arthur Marshall, Sunny Acres, discovered her car was afire. When a neighbor came to help it was discovered that anti-freeze spill on the battery had ignited.

And On Earth, Peace —

As we celebrate once more the birthday of a World Teacher, and Savior of Mankind, we open our hearts to the wonderful spirit abroad in the world and once again affirm the oneness of humanity.

It is time for a gathering together of the most heart-felt aspirations. Hope to share, courage, love for fellow man, all break forth in full jubilee on the morning of His birth. In the words of Washington Irving:

"Some say that ever 'gainst that season comes
Wherein our Savior's birth is celebrated,
The bird of dawn singeth all night long;
And then, they say, no spirit dares stir abroad;
The nights are wholesome; there no planets strike,
No fairy takes, nor witch hath power to charm;
So hallow'd and so gracious is the time."

As churches and schools prepare their holiday programs, the mighty symbolic theme of love and sacrifice pervades our community of villages. There is right feeling for goodness and truth, active love, and reverence for life. Presents of joy and gladness are exchanged, and utterance of good wishes to last the year round.

Wayfarers Mark Christmas Early

Christmas came early for the Wayfarers club and auxiliary who met Saturday night in the Ed. Bruesser home, Woodland circle. Decorations were appropriate to the season, and Santa Claus was present.

There was a background of Christmas hymns, and the members read about Christmas customs and legends of other lands. All joined in singing the old familiar carols.

Each member made a Christmas card, which were judged, with the prize going to Robert Boyer. Games were played and prizes awarded, after which Christmas refreshments were served. Mrs. Harold Spiess, Mrs. Walter Schoenech and Mrs. Edward Bruesser served on the committee. There was a gift exchange, and each member received a Christmas stocking.

The Christmas cards that were made were taken the next day to Mr. and Mrs. Henry L. Koenig, who were absent on account of Mr. Koenig's recent heart attack. They celebrated their 45th anniversary, Dec. 8, and will entertain the Wayfarers in their home next month.

SCHRAGE'S RESTAURANT CHANGES HANDS

Schrage's restaurant at 159th St. and Wolf road, which for the past few years has been operated by Mr. and Mrs. Fred Hoaglin, will be under the management of January 1. Mr. Hoaglin has been ill for the past several months, and because of this the restaurant has been sold to Mr. and Mrs. Hoaglin's nephew, Mr. and Mrs. Ralph Hitz.

Mr. Hitz is the son of Mr. and Mrs. J. A. Hitz of 167th and Wolf road, Mokena, where he and his wife, Joan, have lived for the past three years. He has a dental office in the Woodlawn hospital clinic, in Chicago.

The Hitz's were formerly of Chicago, but came here directly from Cadillac, Mich. They have been living with the Hoaglin's for the past month, and helping out with the conduct of the business.

The restaurant will be closed starting December 21, but will be re-opened January 1. It will be called the Hitz Country House, and be under the management of Ralph and Joan Hitz, who will maintain the same high standards of food and service that have made the Schrage restaurant popular with patrons in the past. The Hoaglin's will leave for Florida soon.

The Hitz's are well known in this area, and their many friends wish them every success in their new venture.

To Open Bids On Bus Transportation To Lincoln-Way Hi

School busses and transportation problems took up most of the time at the last regular meeting of the board of education for the Lincoln-Way school. In order to determine whether these services would be contracted, or if the district would own and operate the busses itself, bids were drawn up and sent to various contractors who had indicated interest.

It is the intention of the board of education to operate two routes and two busses out from each village, with some of the busses making two trips. The average length of each route will be approximately twenty miles.

Any one interested in contracting for this service should contact Mr. Chapman, for the details and specifications. All bids will be opened Wednesday night, Jan. 6, in the Manhattan grade school.

OPEN HOUSE AT LINCOLNWOOD DRIVE IN SAT.

The Lincolnwood Drive In, located on route 30 and a half miles east of New Lenox, will celebrate the remodeling and enlargement of their restaurant with an open house this Saturday, Dec. 19.

The Drive In has been in operation for over a year, and has enjoyed a very good patronage, so good, in fact, that it has been necessary to add a dining room and enlarge the kitchen.

The proprietors are Walter Ritt and his wife Toni, of Frankfort, formerly of Chicago. The excellent cook there is Mr. Ritt's mother.

The Drive-In has become well known throughout this area because of its home cooking and fine service. The new dining room has been named the "Old Hickory" room.

The open house will be held from 7 to 10 p. m. Saturday evening, with a free morgasbord. Everyone is invited to attend and inspect the new facilities.

'KATHY' DARIN KILLED BY BACKING TRUCK

A six year old girl, Kathleen ("Kathy") Darin, daughter of Mr. and Mrs. Anthony Darin, Joliet, was killed in front of her home Tuesday, by a delivery truck that was backing off. Kathy had just started off for first grade class in the Taft school and had turned to wave goodbye to her mother and brother Douglas, when the tragedy, which was witnessed by the mother, occurred.

Driver of the truck was Alfred Mager, 37, of New Lenox, and formerly of Mokena. He was driving a truckload of building materials for the Fred Allen Co., of Joliet, to a house under construction across the street from the Darin home. Mager had stopped the truck for a short time before the accident to inquire of the home builder, Michael Frankovich, where the materials were to be delivered.

According to police officers Gerald Fitzgerald and Donald McGann, Mager had walked around the back of the truck before getting into it. He did not see Kathy, nor did he know that the left rear wheels had run over her until he heard a moan and her mother come screaming from the house.

Mager was released pending the inquest to be held by Coroner Willard Blood. Mager has two children. Crushing head injuries were the cause of death.

The 7,700 pound truck carried a load of 4,000 pounds of plaster, sand, and mortar at the time of the accident.

Anthony Darin, the little girl's father, was notified of the tragedy by officers Fitzgerald, McGann, and Louis Hildebrand. McGann was called to the house under construction near Raynor avenue and Theodore st., Joliet.

Besides her father, mother, and brother Douglas, Kathy is survived by her maternal grandparents, Mr. and Mrs. John Mallesich, Joliet and her paternal grandmother, Katherine Darin also of Joliet.

The body was removed to the Blood and Grant funeral home.

To Burn Mortgage At Mokena Church

Sunday will be a momentous day in St. John's Evangelical Lutheran church, Mokena. The last note of the church debt, now fully paid, will be destroyed in ceremony at the 10:45 morning worship service. New members also will be received.

Rev. William Riemann is the pastor. Sunday school begins at 9:30 a. m. as usual.

TO HELP LIGHT LINCOLN-WAY ATHLETIC FIELD

The Lions club members of the four villages which will be served by the new Lincoln-Way high school, namely, Mokena, New Lenox, Manhattan and Frankfort are taking a forward view with the idea of assisting the school in any way they can. With this in mind they have given consideration to the athletic field and its activities, with the result that they have decided to provide lighting facilities for that field.

To raise the needed money for this project the Lions clubs in these four villages will conduct a house-to-house campaign in this area sometime in January to sell brooms and door mats. The brooms and door mats are being made by blind workers in a factory in Kentucky. Looking forward to this canvass, the Lions are asking all home makers in this area to withhold purchase of brooms or door mats until this campaign is in progress, so they can help not only the blind workers but assist in this project of lighting the athletic field of their new high school. In buying these brooms and door mats they will be getting something well worth the price which is, at the same time, very useful in every household.

MRS. SWISHER FETES 27 AT HOLIDAY PARTY

"Bring your old song book, and your Christmas spirit."

"O, blessed are they, a Christmas wings"

Who gather in a humble home His praise to sing." This unique invitation ushered in the real Christmas spirit in the home of Mrs. John E. Swisher on Dec. 11, when a group of 27 friends gathered for an old fashioned sing.

The hostess welcomed her guests with a reading of "The Why of Christmas," an original poem. Christmas was everywhere, from a basket of home-grown greens on the front door, to the vivid mantel decoration with 30 filled stockings hanging there. Cards were attached, on which the guests wrote messages to be sent to an orphan's home, the director of which is a friend of Mrs. Swisher.

An arrangement of cut flowers, a gift from members of the Garden club, graced the what-not shelf. As a remembrance from the hostess, carol and gift books, "Bells of Christmas," were distributed, and a verse read in unison.

Fred Erickson provided delightful accompaniment to the gayety, with familiar carols, hymns, and some of his own improvising putting everyone into a holiday mood. The mystic spirit of Christmas prevailed as songs repeated the message of "Peace on Earth, Good Will to Men."

Red bonnets with perky bows and a cravat for the pianist, were donned as chimes and happy voices joined in "Jingle Bells."

Mrs. Hilding Anderson read the familiar "Visit of St. Nick" with musical background by Mr. Erickson.

The dining table was laid with a Christmas green cloth with a profusion of good things to eat and individual Christmas tree favors. Hand made wicker baskets were given as awards to Mrs. Harry Mager and Mrs. Hans Nielsen. Mrs. Swisher was assisted by Mrs. Dick Swisher, Mrs. Robert Roberts and Mrs. Walter Goebel.

The guests affixed their signatures to the bonnets to be saved for next year. All joined in anticipation of this Christmas highlight for next year.

Over time and distance, may there always be friends—good friends, to touch hands, sing, and walk the Christmas road together. —Florence Anderson

Makes 12 Day Trip To Foreign Lands

Grant Geuther, Frankfort, was one of a group of 15 who made a recent plane trip to foreign countries. They spent 12 days visiting Paris, Rome, London, Zurich, Geneva, and made over night stops in Eire, Newfoundland and Shannon, Ireland.

In Italy they were the guests of Pope Pius in the Castel Gandolfo villa, and in Switzerland were dinner guests of the president of the Association of First Class Hotels.

Geuther is employed by the TWA Airlines at their Chicago office.

A camping mattress made of plastic folds into a small, convenient package. When inflated with air, it measures 24 by 72 inches, and makes sleeping on rough ground less uncomfortable.

SENIOR CLASS PLANNED FOR LINCOLN-WAY HI SCHOOL

BETTY LOUCKS MARRIED TO JAS. SPRINGER

A beautiful winter wedding took place at Homer church Wednesday evening, Dec. 9, at 1 o'clock when Betty Lou Loucks, daughter of Mr. and Mrs. John A. Loucks of Homer township and James Springer, son of Mrs. Hazel Springer of Morris and Stanley Springer of Orland Park were united in marriage in a double ring ceremony by Rev. Arthur A. Talbert, pastor of the church.

John Leedom of Lockport gave an organ recital of appropriate music preceding the ceremony and accompanied Robert Burch when he sang "The Sweetest Story Ever Told" and "I Love You Truly."

Colors, crimson and white, suggestive of the holiday season, predominated in the flowers and also in the costumes of the bridal party. Large bouquets of white mums and red carnations adorned the altar, and blended with the church's permanent decorations.

Miss Norma Loucke, was her sister's bride's maid while Elwyn Oswood of Morris served his friend as best man. Ushers were John Loucks, Jr., and Edward Pelkey of Joliet, brother and uncle of the bride.

Given in marriage by her father, Betty Lou wore a ball-length dress of net over satin fashioned with a fitting strapless bodice, matching net jacket and mitts. A satin band circled the skirt and was finished with a large bow at the back. The shoulder length silk illusion veil was held in place by a half hat of chantilly lace trimmed with seed pearls. Her only jewelry was an heirloom necklace worn by her mother at her wedding. She carried a cascade bouquet of red carnations centered with a white orchid.

The bridesmaid dress was similar in style to her sister's but of red net and taffeta and trimmed with tear drop pearls, her hat and mitts were of red net and her bouquet of white carnations.

Mrs. John Louck, mother of the bride, wore steel-blue silk with navy and white accessories and a corsage of white carnations. Mrs. Springer, Sr., was dressed in mauve velvet, a beige hat, black accessories and white corsage. Mrs. Louis Pelkey of New Lenox, the maternal grandmother wore a gown of navy print with white accessories and corsage.

A reception for more than 75 guests was held in the church dining room immediately after the marriage. The wedding cake, fruit punch and coffee were served from a candlelighted, lace covered table. The cake was served by Mrs. William Whiteden of Florida, the groom's sister, Mrs. Edward Pelkey presided at the silver coffee urn and Miss Audrey Wilke was at the punch bowl, while Miss Betty Zenker was in charge of the guest book.

Following the reception about 50 relatives and friends were served a buffet supper in the Louck home.

When the couple left on their honeymoon the new Mrs. Springer was wearing a navy blue suit with aqua accessories. They will make their home in Jacksonville Fla., where a furnished apartment is ready for them. Mr. Springer has recently received his army discharge and Mrs. Springer has been in the air force for some time.

Guests were present at the ceremony from Joliet, New Lenox, Homewood, Chicago, Morris, Frankfort, Lockport, Peotone, from Gary and Lafayette, Ind., and Jacksonville, Fla.

Last Saturday evening Miss Loucks was guest of honor at a miscellaneous shower in the Ed. Pelkey home in Joliet, and Miss Norma Loucks assisted their aunt with the party. "Crazy bur. co" was played with prizes going to the winners and duplicates to the bride-to-be. Dainty refreshments were served at quarterette tables and many lovely gifts were presented.

Baby Girl Born to Former Frankfort Couple, in Germany

Mr. and Mrs. Emanuel Englemann, of Frankfort, received a cablegram last Thursday from Capt. and Mrs. James Moser, in Germany, telling of the arrival of a baby girl to them. Capt. Moser is a former veterinarian of Frankfort, and is well known in this area.

LIBRARY HOURS

The Mokena Book club library will be closed Wednesday, December 23, and Wednesday, December 30. It will be open Wednesday, January 6. The hours are 7:30 p. m. to 9 p. m.

All four years of work will be offered to the students in the new high school next year. A complete program of studies is being outlined in order to provide for the students' interests and needs. During the regular meeting of the board of education, Dec. 9, the various policies regarding the students' enrollment were established. Board members were especially interested in having the seniors attend the new school next year, and are extending to them a most cordial invitation to enroll.

The board members pointed out that a well trained faculty was being secured, and plans being made for many extra-curricular activities. It was also mentioned that the tuition rates at the Joliet high school were increasing each year, and that funds were inadequate to pay for very many students. This rate last year amounted to approximately \$450. per student, with the total amounting to \$114,000 at Joliet and about \$23,000 for the other three schools.

The following policies were adopted by the school board and will govern all students next year: Senior students who desire to graduate from their present school, shall secure a permit from the superintendent before Feb. 15, 1954. After this date, no further permits will be granted for attendance outside of the school district. These permits have to be approved by the board of education, and sent on to the other high schools concerned. It is necessary for these schools to have this information at an early date in order to arrange their classes and to secure the necessary teachers. Students who do not secure this permission, will be considered members of the Lincoln-Way school.

All other students in the three lower classes will have to attend in the district, or pay their own tuition. Transportation will not be furnished any student attending school elsewhere.

Questions have been asked regarding the transfer of credits, and requirements for graduation. All credits will be accepted at their face value, and the requirements for graduation will be exactly the same as in the respective schools where the students are now attending. The beginning freshmen will, of course, come under the standards as will be established by the local board of education.

Recognition of School

All public schools in the State of Illinois are accredited and recognized every year by the Office of Public Instruction. In the case of a new school, application for such recognition can not be made until after the school has officially opened. The main requirements for recognition are: a competent faculty, adequate equipment, and adherence to the state laws relative to the curriculum. It is almost impossible for any public school to operate without approval, since all state aid would be denied. There should not be any reason why the new Lincoln-Way high school should not be approved, and receive an excellent rating.

As soon as school opens next September, application will be made to the North Central Association of Colleges and Secondary Schools, for membership in that organization. In the past this group would not extend membership until after the first class graduated. This policy was changed during the present year. Since only a small percentage of the high schools in Illinois belong to this association, it is a real honor, and also enables all graduates to attend any college or university in the country. The policies of the local board of education have been in keeping with those of the North Central, so approval should be recognized by this group.

225 Attend Frankfort PTA Christmas Party

About 225 people attended a potluck dinner at the Frankfort school, Dec. 9. The dinner, which was the PTA's Christmas party, was held at 6:30 p. m. The tables were decorated with pine tied with red ribbons.

Later, some of the band members furnished Christmas music, with the audience joining in singing. A gift exchange was held, and movies were shown.

In the absence of Mrs. Wendell Morrison, president, Mrs. Glenn Ferrell, vice president, was in charge.

Mrs. Burton Brident was chairman of the social committee. She was assisted by Mesdames W. S. Frost, Elmer Sievert, Edmund Elbert, Robert Burns, Stanley Lentz, and Harry Miller. Mrs. Marian Bell, Mrs. Robert Schweizer, Mrs. Glenn Ferrell and Mrs. James York also lent a hand.

Life Background Of Roger Babson

Roger W. Babson

American business has no more inspiring personality than Roger W. Babson, internationally known business commentator and investment adviser.

An outstanding feature of his philosophy has been his long insistence on the importance of religion in business.

Born and reared in an old-fashioned atmosphere of hard work and hustle on a farm in Gloucester, Mr. Babson went to the Massachusetts Institute of Technology. Upon graduating, he turned instinctively to financial and business activities.

His exertions, however, under mind his health; he contracted tuberculosis and it was West "as good as dead!" It was while he was convalescing from this dread malady that he worked out some of the possibilities and problems of business forecasting by using 400 newspapers and his financial reports by 20,000 corporations and estates.

Calvary Baptist

Rev. Arthur Contois of the Calvary Baptist church has announced that the annual Christmas program will be given at 8 p.m. Wednesday by the children of the Sunday school. They will present the Christmas story in a skit, with carolers taking part. The primary department will give songs and recitation. There will be no church service Christmas Day.

Christmas Time

Christmas time is the best of all. It's the merriest time of the year.

For everyone is happy and gay. And thinking of spreading good cheer.

Our cupboards are full of good things to eat, And we'll have a big Christmas tree.

For I know that Santa is coming With presents for you and for me. But let us remember the Christ Child.

He was born on that first Christmas Day. Let's give thanks to Him for his blessings.

That we are enjoying each day. by Hazel Adelman

New Lenox

New Lenox Methodist

The annual Christmas Eve and candlelight service of the New Lenox Methodist church will take place at 11 p.m. in the church with Rev. Ralph L. Miller in charge.

The church choir will give its annual cantata "Bells of Christmas" during the regular morning worship service Sunday in the church. The Sunday school program and Christmas party will be held at 7 p.m. Sunday in the Haven school gymnasium. Those who would like to bring canned goods for the Lake Bluff orphanage may do so at the evening service.

Drama Club

The New Lenox Drama club will hold its community Christmas carol sing Saturday instead of on the 16th as announced last week. "Catching Up With Christmas" is the title. Members will participate in a one act play. Old fashioned carol singing and selections by a male chorus will be heard afterward. The program is open to the public, according to Mrs. Donald Anderson, president, and there will be no admission charge.

Schmuhl School

Plays, songs and recitations will feature the annual Christmas program of the Schmuhl school, district 121, New Lenox, at 7:30 p.m. Sunday in the school. The parents will bring Christmas cookies, cup cakes and pop. Santa Claus will put in an appearance sometime during the evening.

Trinity Lutheran

Rev. Leonard Reinke of Trinity Lutheran church, New Lenox, will conduct the annual candlelight service at 11 p.m. Christmas Eve in the church. The Sunday school children will give their program at 7:30 p.m. also that evening.

There will be no church service Christmas Day. A party for the Sunday school children and their parents will be held from 2 to 4 p.m., Sunday, Dec. 27.

Episcopal Church

A children's service and Christmas tree has been planned for Sunday night in the Episcopal church, New Lenox.

St. Jude's

Crib devotion will precede the midnight mass Christmas Eve in St. Jude's Catholic church, New Lenox. The school children will sing Christmas hymns, beginning at 11:30 p.m. Christmas Day masses will be at 8 and 10 a.m.

St. Jude's School

A play, "Christmas Spirit" will be given at 8 o'clock tonight by the St. Jude's grade school children in the Haven school auditorium. There will be four other variety acts, singing and dancing, including the Christmas stable scene. All grades will take part. Admission will be 50c and 25c.

The school party, with the usual gift exchange, will take place Tuesday.

Full Gospel Church

Special services and a children's program, with several variety numbers, will be given at 11 a.m. Sunday in the Full Gospel church, New Lenox. There will be gifts for the children.

Haven and Oakview Schools

Children of the Haven and Oakview schools will gather for their individual room parties Wednesday morning. They will be conducted in due time for the children to get down to Sherwood's lot across from the drug store, where Santa Claus will arrive at 11 a.m. in a helicopter. Some 600 children from Haven, Oakview and St. Jude's school are expected to turn out to greet him.

Singing of Carols Is Age-Old Custom

Probably the best-loved part of the Christmas celebration in America is the singing of Yuletide carols. Hearing the beautiful melodies from our radios and television, from the choir of our churches and from groups of carolers gathered in the stillness of the night enriches and heightens the meaning of the Christmas season.

The people of our country draw from the beloved carols of many lands, with many newer ones of our own day. The European carols were brought to this country by the early settlers. "O Come All Ye Faithful" has been translated into 119 languages and dialects.

"Away in a Manger," Luther's hymn for children, came from Germany. England gave us the spirited "God Rest You Merry Gentlemen," and from France we inherited the beautiful "Cantique Noel" and "O Holy Night." Americans gave us our world favorites of today, "It Came Upon the Midnight Clear," "We Three Kings of Orient Are" and "O Little Town of Bethlehem." —By Ruth Jochum

'Silent Night'

"Silent Night, Holy Night! All is calm, all is bright: Round yon Virgin, Mother and Child..."

The Christmas carol which has stirred the world by the depth of its understanding, the strength of its emotional appeal and its simplicity of diction, was given to the world by a priest and the teacher in his parish.

Written for a Christmas festival in 1818 by Joseph Mohr and put to music by Franz Gruber, "Stille Nacht" was finished in a little village in Austria.

Received with delight by enthusiastic parishioners, this carol found its way around a world that seemed to be listening for just this echo of the angel song.

Christmas Cards

In 1850, Louis Frang, a penniless immigrant, arrived in New York from Germany. He was a calico printer and had no trouble finding work as an engraver. When he had saved \$300, he opened a small lithographing shop in Boston and printed floral cards, which he sent back to Europe. These were delicately tinted flower prints. Finally, he added the words "Merry Christmas" and when they became popular, he tried them out in this country. They were an instant success.

Marley

Community Church

The Marley Sunday school will present a program at 8 p.m. Christmas Eve in the church. There will be recitations and songs by the Primary department. A Christmas pantomime will be presented by the Junior boys and the Junior girls will take part in a Christmas play. The children of the Sunday School have drawn names for a gift exchange. Each family is to bring gifts, wrapped in white, which will be given to children in an orphanage.

Marley School

The Marley school program will be presented at the school at 8 p.m. Tuesday by the pupils and their teacher, Mrs. Marion Liberty.

Maple Street School

The Maple Street school will present its Christmas program Tuesday afternoon in the school. The teacher is Mrs. Muriel Korista. She invites everyone in the district to attend.

On Wednesday afternoon a Christmas party and gift exchange will be held at the school for the pupils.

Hadley School

The students of the Hadley school and their teacher, Mrs. Gladys Jensen and Miss Mary Wetterhahn, will present their Christmas program at the school at 8 p.m. Tuesday. There will be plays, songs and recitations.

Christmas Quiz

Christian Science Churches

The notion of a physical universe, based on material premises and conclusions, is man made and false; the conviction of the universe as spiritual, formed and governed by God, is supported by Scripture and divine logic. This will be explained in all Churches of Christ Scientist, on Sunday, December 20. The subject of the Lesson Sermon will be "Is the Universe, Including Man, Evolved by Atomic Force?"

The Golden Text is from Hebrews 1:10 "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands."

Bible selections (King James Version) in the Lesson Sermon include:

"Not unto us, O Lord, not unto us, but unto thy name give glory, for thy mercy, and for thy truth's sake. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead" (Ps. 115:1; Rom. 1:20).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include:

"The universe, like man, is to be interpreted by Science from its divine Principle, God, and then it can be understood; but when explained on the basis of physical sense and represented as subject to growth, maturity, and decay, the universe, like man, is and must continue to be, an enigma. Spirit is the life, substance, and continuity of all things" (p. 124).

Christmas is Really Celebrated in Europe

Many countries in Europe celebrate Christmas on the principle that you cannot have too much of a good thing. In Italy, Holland, and elsewhere, the first celebrations begin on December 6, St. Nicholas' day, and last till Twelfth Night on January 6. In Poland the Christmas season lasts till February 2.

"You know it's getting colder when girls put on two sweaters for comfort instead of one for looks." —Robert Q. Lewis.

Mokena

Mokena School

"He Said He Was Santa", an operetta, will be presented by children of the five lower grades of the Mokena Public school at 8 p.m. Tuesday in the school gymnasium. The school orchestra will play several selections.

The action takes place in the large kitchen-living room of Max Schmidt, a gnome. By accident, Santa Claus is left in a big snowdrift in the Swiss Alps. He is found by two St. Bernard dogs belonging to Schmidt, whose home is a mountain chalet.

When Santa is found, the gnomes bring him to the chalet, where he is made comfortable.

The play includes many specially numbers. First grade boys and girls will sing "The Orphan's Prayer" and first grade boys the "Puppy Dog Song". Second grade girls will sing "Song of the Snowflakes", and second grade boys the "Cookies Song".

"Dolls Song" will be performed by the third grade girls and "Stick Horse Song" by the third grade boys. The fourth graders will sing "Dixie Doll Song" and the "Clown's Song". Fifth grade girls will sing the "Candle Song" and the fifth grade boys will act as the candles and jumping jacks.

The three upper grades will close the program with carol singing, after which Santa Claus will bring treats from the Mokena PTA.

Mokena Methodist Church

The annual Sunday school service, "Come and Worship", will be held at 8 p.m. Sunday in the Mokena Methodist church. Solos, recitations, choir selections will be presented. The nursery and primary departments will have their own program. There will be a manger scene and lighted Christmas tree, and gifts for each child. The annual awards will also be made. Rev. Hughes Morris is the pastor.

Immanuel Lutheran Church

Christmas Eve festivities in the Immanuel Lutheran church will open with recitation and song at 7:30 p.m. according to Rev. A. W. Gode, pastor. He will have a sermon topic, "The Christ Child" at the 10 a.m. service Christmas day. Other holiday programs in the church have been planned for 8 p.m. New Year's Eve and 10 a.m. New Year's Day.

St. John's Evangelical Church

A group of 85 children and youth of the upper grades will give a Christmas pageant, "The First Christmas", at 7:30 p.m. Sunday in St. John's Evangelical church.

Hollstein

"Christmas Carol" by Dickens will be given at 8 p.m. Tuesday in the Hollstein school. There will be dancing, singing and shadow puppets. Dorothy Kohl, the teacher, is supervising the program, and invited everyone to attend.

Christmas Song For A City

City of gaudy light. Never still nor dim. How can you watch tonight His star, or him? Our hard lights leap and roam. Thy boast and quest— His Star is Coming Home: His star is Rest. City whose wild towers lift With world's gold piled. How can you need His gift, The Holy Child? All gold of ours is poor Heaped towers above— Beside the one gift sure, His gift of Love. City whose clang and cry All the hours are heard. How can you hear his sigh, The Child's low word? Hush—it is Christmas Even; All sad sounds cease; His Word wakes Earth and Heaven; His word is Peace.

Christmas Bells

I heard the bells on Christmas day Their old familiar carols play. And wild and sweet the words repeat Of peace on earth, good will to men. I thought how, as the day had come, The bellies of all Christendom Had rolled along their unbroken song Of peace on earth, good will to men. And in despair I bow'd my head: "There is no peace on earth," I

The Old Old Story

As recorded in Luke 2:1-20

And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed. And this taxing was first made when Cyrenius was governor of Syria.

And all went to be taxed, every one into his own city.

And Joseph also went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem, (because he was of the house and lineage of David)

To be taxed with Mary his espoused wife, being great with child.

And so it was, that, while they were there, the days were accomplished that she should be delivered.

And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

And the angel said unto them Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David, a Saviour, which is Christ the Lord.

And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

Glory to God in the highest, and on earth peace, good will toward men.

And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known to us.

And they came with haste, and found Mary and Joseph, and the babe lying in a manger.

And when they had seen it, they made known abroad the saying which was told them concerning this child.

And all they that heard it wondered at those things which were told them by the shepherds.

But Mary kept all these things and pondered them in her heart. And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them.

And said, For hate is strong, and mocks the song Of peace on earth, good will to men. Then pealed the bells more loud and deep; "God is not dead, nor doth he sleep; The wrong shall fail, the right prevail. With peace on earth, good will to men!"

Till, ringing, singing, on its way, The world revolv'd from night to day, A voice, a chime, a chant sublime, Of peace on earth, good will to men!

SCIENCE and your Health
CONQUERING DIPHTHERIA
by Science Features

Once the most terrible of all infectious diseases that menace children, diphtheria is being vanquished by advances in medical science. Where cases do arise, effective weapons are on hand to combat them.

For example, Michigan had 25 deaths from diphtheria for each 100,000 population in 1920—a time when good antitoxins and vaccines were available. Today, that same state has less than one death from diphtheria for each 100,000 people.

Over 80 per cent of all diphtheria cases arise in children below ten years of age. The disease is spread by children or adults who have the disease, either with symptoms or without them. The latter person is called a "carrier."

Doctors recommend that all children be inoculated against diphtheria before the end of the first year. Because wide-scale immunization has become common in recent years, there is a tendency for the disease to appear with greater frequency in older children who have neglected re-inoculation.

Recent scientific reports show that excellent results are obtained when the antitoxin is given together with an antibiotic. In one study six patients with acute diphtheria treated with terramycin and antitoxin showed no signs of the disease after an average of 2.3 days treatment.

Antibiotics also have been used to eliminate the diphtheria germs from carriers of the disease.

CARD OF THANKS

It gives me great pleasure to let my friends know that I enjoyed every minute of the contest. It was six weeks of hard work but a wonderful opportunity to see all my old friends, and to meet and make so many new ones. The loyalty and support you gave me will never be forgotten. I want to thank you one and all, also Mr. Smith and Mrs. Semmler for the opportunity of receiving the first prize.

Most Sincerely,
MRS. ANTON BENSON

Mr. and Mrs. George Bills and twin sons, Charles and David left Tuesday to visit his parents, Mr. and Mrs. George D. Bills at Lake Mohawk, Sparton, New Jersey. While there Mr. Bills will go to New York City on a business trip. In their absence Mrs. Bills mother, Mrs. George B. Hunter of Johnston, Pa., is staying with the other Bill's son, Robert. Mr. Hunter will arrive in the Bill's home Dec. 22 to spend Christmas in Mokena. Mr. Bill's father who suffered a heart attack recently is not feeling as well as usual.

Andy Zink who underwent surgery last month has returned to his work in Joliet. Recently as he was driving the car of Jack Newton he collided with a car driven by Mr. Reid, music instructor at the public school at the corner of First and Mokena streets. The high hedge around the Rev. Gode home prevented them from seeing each other.

Mr. Newton's car was badly damaged and Mr. Zink received an injured hip. Neither Mr. Reid nor his car were injured.

Mrs. Wilbert Lauffer underwent surgery Tuesday, in The Woman's and Children's hospital in Chicago.

Mr. and Mrs. Adolph Steen enjoyed a recent motor trip through the east, touring the New England states, North Carolina and Virginia. They were gone three weeks.

Miss Dolores Cooper, a student at Wesleyan University at Lincoln, Nebr. will return home Saturday for the holidays.

Roy Erdman and William Bradley flew to Mayo clinic at Rochester, Minn., Sunday. Mr. Erdman will have a checkup following surgery there this summer. Mr. Bradley who has been ill for several months will

go through the clinic. They expect to return home by plane this week end.

Mr. and Mrs. Alphonse Kohl of Marley will entertain the Old Time Pinocchio club at a Christmas party this Saturday night.

Among the friends who attended the open house observing the 90th birthday of Mrs. Lizetta Stellwagen held in the Presbyterian church in Joliet last week were Mrs. Rose Bechstein, Mrs. Lydia Ryan, Mr. and Mrs. Arthur Maue, George Marti and Mr. and Mrs. Elmer Cooper. Mrs. Stellwagen is the sister of Mrs. Rose Knudson, Blue Island. She keeps house for her daughter Mrs. Vera Smith who teaches in the Joliet public school system. Also attending was the celebrant's sister Mrs. Louisa Hill of Chicago, a sister from Peoria, and her brother William Schiek of Wisconsin.

BASKETBALL

The Mokena Lightweights suffered their first DesPlaines Valley Conference defeat at New Lenox Friday by a score of 33-14. The loss dropped Mokena out of

first place and now gives them a season's record of 2 victories and 1 defeat. The game was close until the final quarter when New Lenox outscored Mokena 13 to 2. Donald Lehmann led the Mokena scoring with 8 points, but Donaldson of New Lenox was a

high man for both teams with 14 points scored. The New Lenox Heavyweights also were victorious over Mokena by a score of 37-13. The victory was accomplished by holding Mokena to only 3 points in the second half while scoring 26 themselves. The score at half was New Lenox 11, Mokena 10.

Mokena travels to Frankfort Friday, December 18 for their final game before the Christmas holidays.

TELL IT TO SANTA

General session speakers were announced today for the Farm and Home week, February 3 through 4, at the College of Agriculture of the University of Illinois in Urbana.

Governor William G. Stratton will speak at the first general session on Monday afternoon. He is the 32nd governor of Illinois and is the youngest man to hold this post in 70 years.

He was elected to the United States Congress at the age of 26, being the youngest congressman ever elected from Illinois and the youngest member of the 77th Congress.

In 1947 he was chosen by the National Advertising club of New York City as one of the top ten outstanding young men in the United States, and in 1948 he was chosen the outstanding young Republican in the country.

You don't need "tracks" to subsoil big fields...

do it with the WD-45

Here is wheel tractor power that subsoils to a depth of 18 inches and covers lots of acres in a day.

The dynamic new WD-45 Tractor with POWER-CRATER engine and the Allis-Chalmers Mounted Subsoiler shatter toughest hardpan... let water soak in, not run off. If the going gets tough, automatic Traction Booster transfers weight to drive wheels... and you keep moving.

And the WD-45 has all the extra power you need for subsoiling... at reasonable price — \$2095.00; subsoiler, \$54.00; both prices f.o.b. factory. We'll gladly demonstrate.

CHURCH LEAGUE

The two first place teams in the Tinley Park Church league kept pace with each other by winning their games. The Methodist beat the last place Lutheran team easily by a score of 69-27.

In a tight, hard fought game, the Catholic team again lost a close battle as they bowed to the Mixed team, 3-34. The Mixed team jumped off to a half time lead of 21-10, but the St. George crew fought back in the third quarter and to within one point, with a minute and a half in the game, but Jack Tomlinson and Ron Stege hit three throws in the last minute, to ice the game.

The next league game will be played Jan. 5 with the Mixed playing the Lutheran at 7:15 and the Methodist against the Catholic at 8:30.

Standings: Mixed, 5-1
Methodist, 5-1
Catholic, 2-4
Lutheran, 0-6

ALL STAR TEAM CHOSEN

The first All-Stars of the Tinley Park Church league were chosen last week to play Monday, Dec. 21 at 8:30, against the first place Methodist team. The Methodist team, which is tied with the Mixed for first place, was selected by the board of managers to represent the league. The All-Star team was chosen before the Methodist team from their team will not play with the All-Stars.

The players who received unanimous selection were: Forward, Ron Stege, Mixed; and Dale Hartwig, Lutheran. Center, Jack Tomlinson, Mixed and Guards, Jerry O'Neil, Lutheran. Dave Hutchinson, Methodist, and Roy Mortensen, Catholic.

This team, with the exception of Hutchinson, will start the game for the All-Stars.

Others selected for the select team were: Bob Simulick and Jim Pierce, Mixed; Bob Tomlinson and Tom Delvin, Lutheran; Dan Czernick, Terry Gallagher and Bob Mason, Catholic; and Harry VerWey, Elmer Ginther, and Jerry Hug, Methodist.

George Ficker, Logan Rick, and Frank Lehman will coach the All-Star team. Doors will open at 8:15. All Bandau is the coach of the Methodist team.

 The question has arisen "Is there a league lower than the Minor League?" If so there are a few in this league that can be traded—maybe. Have you ever witnessed such extraordinary scores? Must have been the al-ley! Would you believe it, one game was 139. What could the losers have bowled? Who was the fellow that rolled that beautiful score of 937? No names need be mentioned! But Lehmann Bros. finally won 2 games! High for Lehmann Bros. was Howie Hager's game of 184 and Ava Funk's series of 463. The top score for Goebel's was Eric has decided to try and trade one of his bowlers—They lost 2 games to Bill Rick and Bill was home ill. High for Vogt's was Eric Naseband's 191 504, and for INR, Bud Diekman had 176-505.
 H&S were selfish, they had to take 3 games from Bremen to increase their lead and put Bremen back into the cellar. Oh happy day, Lehmann's are just a hair above the cellar by virtue of a higher average. Ervin Funk topped H&S with 198 and 494. Andy Plattis was high for Bremen with 182-493.
 Agnes Hartwig's nice game of 167 sure helped her team to win!

Help for Liberal Arts Colleges

Industrial leaders, as well as educators, have pointed out a danger that threatens the life of privately financed schools and colleges. Due to income and inheritance taxes the ability of individuals to make gifts and endowments to such institutions is being destroyed.

Recognizing this situation, private industry feels a growing responsibility toward private liberal arts colleges, because freedom for enterprise and education will exist only so long as they can stand on their own feet without government support and domination.

There is real danger of losing the enrichment of American life which has come from educating talented young people who lack financial resources. Other prospective students who could afford present tuition rates and really prefer the individuality and atmosphere of the small college are attracted away by the relatively low tuition rates still charged by the tax-supported state institutions and their excellent facilities.

We Can't Afford to Relax

Most of us believe that this Administration will attempt to check what has accurately been termed "creeping socialism."

However, it will be a tragedy if the friends of freedom and private enterprise ever come to the belief that the battle has been won. The socialists and those who follow the socialist philosophy may take reverses, but they never give up. They simply bide their time, looking for a new chance to get their program over. This was recently stressed by a leading AF of L. He said: "Pressures in this country toward public ownership continue, with varying degrees of strength at different times. Those who believe in the free enterprise system cannot afford to relax—they must continue the day to day job of supporting the system..."

Freedom is not guaranteed. It must be nurtured and defended if it is to survive. That goes for political freedom, religious freedom and economic freedom. All are part of the same philosophy—all will stand or fall together. **ONE Thing is certain** wey

CHRISTMAS GREETINGS

To my dear parents, Mr. and Mrs. O. B. Johnson and brothers and sister at Seattle, Wash.
May your Christmas be a happy day and your New Year be filled with all good things.
VI MROSEK

Friday, Dec. 18, will be the last day of school for Maue school before the holidays. If the present weather continues, children will probably be spending the holidays building snowmen and forts or coasting down hills.

Parents are requested to bring cookies as refreshments for the Christmas program to be held at Maue school Friday evening, Dec. 18. The PTA board members are furnishing punch, coffee and cream. This said that Santa Claus will make an appearance sometime during the program, so children, "Be good, for goodness sake, be good."

Students of Maue school enjoyed a holiday Monday because of Teacher's institute. The institute meeting was held in the Sherman hotel, Chicago.

Mrs. Stuart Culp returned home Thursday from the Little Company of Mary hospital in Evergreen Park where she had been a patient. Mrs. Culp has had a long battle with virus pneumonia. She seems to be much improved.

Mrs. John Gale and the children with her were a bit shaken up enroute to Maue school Thursday morning when the car she was driving, and another car collided at the intersection of 179 street and Wolf road.

As late as last week Reed Williams surprised his mother, Mrs. Chester Williams, by presenting her with a strawberry he had just picked from one of her plants. Those who have ever-bearing strawberry plants might find it interesting to take one last look at them.

Iona Lou Rush was operated for an ear condition at Silver Cross hospital in Joliet Tuesday of last week. She returned home the same day, and has recovered enough to really enjoy the family party her grandparents, Mr. and Mrs. Charles Albert gave in honor of her first birthday, Sunday.

ALPINE 4-H NEWS

The Alpine Girls 4-H club met Nov. 30 in the Owen Maue home. Vice president, Beverly Gale, called the meeting to order with the pledge of allegiance to the flag. Mrs. Charles Williams gave a demonstration on how to make rick rack ear rings and corsages. Each girl made some to take home. Delores Koehene led the game which was won by Kay Maue. A Christmas gift exchange was enjoyed. Dainty refreshments were served by Patsy and Sandra Felsch, and Carla Mrosek. Betty Jean Stellwagen, reporter.

The New Lenox Grade School Volleyball team won second place in the Desplaines Valley Volleyball League. This, the girls claim could not have been done without the aid of their coach, Mrs. Mary Bossom, 7th grade teacher. Members of the team are: Linda Ruhle, Carol Crouse, Sandra Woodruff, Sandra Wanzler, Judy Eden, Judy Christianson, Donna Anderson, and Frances Swinson.

Paul Michael, was the name given the infant son of Mr. and Mrs. Donald Helenhouse, at the christening service Dec. 6 at 1:30 p.m. in St. Jude's Catholic church with Rev. Denis Hall officiating. Sponsors were Mr. and Mrs. Everett Smith of Joliet. A dinner was served in the Helenhouse home following the service. A lovely baptismal cake centered the white linen covered table. Guests were from Leont and Joliet and New Lenox.

The New Lenox Garden Club Swag party was held in the Lions Den Wednesday afternoon Dec. 16. Members brought their lunches and made Christmas wreaths for the different homes and orphanages that they sponsor through out the year.

The New Lenox Drama club will present their one act play, "Catching Up With Christmas" at the American Legion Auxiliary Christmas program to be held at Legion Hall Saturday, December 19 in the afternoon, for the orphan children.

The Royal Neighbors met Tuesday in the Lions den for their regular meeting and Christmas party.

Mr. and Mrs. Gilbert Woodman talked with their son Gilbert at Oakland, Calif. Saturday by telephone. It was his 22nd birthday.

Miss Barbara Savers spent the past weekend in Chicago with her aunt, Miss Irene Haines.

Members of the Spit and Whistle club enjoyed a Christmas party and six o'clock dinner Sunday evening at the home of Mr. and Mrs. Joseph Ingram. Members of this club have gathered for years at this annual party with their husbands as guests. A grab bag, and the usual gift exchange took place. Guests were present from Chicago, Midlothian, Mokena, Aurora and New Lenox.

Girl Scout News
Girl Scout troop 98 met Thursday night, Dec. 10. After the business meeting the girls worked on Christmas gifts for their parents. Plans were made for a traveling dinner to be held Friday evening Dec. 18. Between the homes of the girls they will sing Christmas carols.

Brownie troop 97 met at Oakview school Thursday with leader Mrs. John Olson. Sharon Simms, president, conducted the meeting. The girls worked on their Christmas project. Plans were discussed concerning the party to be held Dec. 28. Brownie troop 13 met Thursday at Oakview school with Mrs. Howard Hull. The girls planned to send a greeting card to Darrell Brown who has been ill in Silver Cross hospital. Janice Thompson was hostess. They made Christmas tree ornaments and planned their Christmas party for Dec. 22 after school from 3:15 to 4.

Troop 90 met Thursday in the Lions Den, when Christmas gifts were completed. Mrs. Frank Camerllo, Mrs. William Miller, Mrs. Clarence Luther, Mrs. Harlow Higgenbotham and Mrs. Kenneth Kirk assisted the girls. This work fulfilled the requirement in one of the proficiency badges. Hostesses were Evelyn Rowsell and Dotte Jean Anderson. Hostesses for next week will be Luann Camerllo and Jackie McCoy. Dec. 10 the troop re-registered for the coming year with 26 girls. Leaders are Mrs. O. V. Rowe and Mrs. Clarence Luther with committee members Mrs. Frank Camerllo, Mrs. Harlow Higgenbotham and Mrs. Kenneth Kirk.

Brownie troop 104 met Friday in the Haven school. The girls made a gift for their fathers and sang Christmas carols. Their Christmas party will be held in the Lions Den Dec. 18 after school with a 25c gift exchange

at that time. Transportation for the girls will be appreciated. Brownie troop 104 is now composed of 3rd and 4th grade girls, the 4th graders who were originally of troop 140. They were registered at this time for the period ending May 1954. Leaders are Mrs. Algot Peterson and Mrs. Harry Huss, Committee members are Mrs. Paul Beedle, Mrs. Roger Lewis, and Mrs. Kenneth Kirk.

The 2nd grade Brownie troop met at Haven school Friday. Mrs. Roy Dowle read the Brownie story to the girls. Songs were sung and games were played under the supervision of Mrs. Paul Beedle. Karen Bruegeman was hostess. The Christmas party will be held Dec. 18 in the Haven school. Mothers are invited to attend. There will be a 25c gift exchange.

EARNINGS UP

(CNS) Nearly 14 million production workers employed in the nation's factories in mid-September 1953 earned an average of \$1.78 an hour, including

overtime and other premium pay—according to the U. S. Department of Labor's bureau of labor statistics. Since Jan. 1, the report said, hourly earnings have advanced moderately, rising four cents between January and September.

Aliens Required to Report Address to Immigration Service

Marcus T. Neely, District Director of Immigration and Naturalization at Chicago calls to the attention of all aliens the requirement of the Immigration and Nationality Act that every

alien in the United States report his address to the government during the month of January. The report must be made on Form I-53, which may be obtained from any United States post office or from any Immigration office. The requirement applies to all aliens who are in the United States on January 1 and to aliens who reside in the United States and may be tem-

porarily absent during January. Persons in the latter group must report their address within ten days after return to the United States. The address of minor children aliens must be reported by their parents or guardians.

Neely warned that failure to comply with the address reporting requirements of the Act carries severe penalties. Aliens failing to comply subject themselves to fine, imprisonment and deportation. Neely urges all aliens to comply and all organizations having alien members to publicize the requirement, also all organizations who assist aliens to urge compliance.

SPARK DRIVE TO CUT MISHAPS IN TRAFFIC

"Stronger measures against drunk drivers must and will be taken," Franklin D. Sturdy, director of the Citizens Traffic Safety board said yesterday.

One of every six fatal accidents in Chicago in 1953 involved a drunk driver, according to the board's report, which announced a city wide program to be spearheaded by police, courts and Chicago industries. Stores and community civic groups also will participate in the educational phase of the drive.

One of the most effective weapons in the campaign, said Sturdy, is the new drivers' license law. Under its provisions anyone convicted of drunk driving is not allowed to drive for a full year. This mandatory penalty is in addition to a fine and perhaps a jail sentence levied by the court, he added.

Drunk driving becomes a larger factor in the traffic death record during the holiday season than at any other time of the year, it was emphasized.

State's Attorney John Gutknecht, in a warning to be distributed by means of posters to be placed in all bars and liquor stores, warns:

"It's the law! Drunk drivers lose their licenses. Don't gamble your license, your life, or your job. You play it safe!" The

posters will be distributed by the United Licensed Beverage council of Illinois.

"The drunken driver deserves no sympathy and will get none in prosecution of violators," Gutknecht said, "Vigorous prosecution of drunk driving cases will be continued."

According to Chicago Traffic Chief Michael Ahern, pedestrian accidents increase during the holiday season. In many instances investigation reveals that the pedestrian had been drinking.

Although statistically Chicago has the country's highest accident rate, said Sturdy, it is the only large city in the country which has made actual progress in reducing traffic deaths. Efficient police work, and an excellent job in the courts, has succeeded in giving Chicago a good record for the first 11 months of the year.

However, he said, a few drunk or reckless drivers could, by irresponsible or criminal action, bring tragedy into enough homes so that the gains of the first 11 months could be wiped out.

BABSON SAYS-

inside Babson iK,danntonW Copyright-1953-Publishers Financial Bureau, Inc. Babson Discusses Air Conditioning

Will you take a few minutes and discuss with your family what your community would be today if there were no automobiles? What would be the condition of real estate, employment, and general business if we were driving only horses and buggies?

It is estimated that 25% of the business today is due to the automobile. Industries, from the making of steel and the refining of oil to the thousands of factories, gas stations, automobile agencies and new roads, exist today because of this industry.

The automobile industry (especially the self starter), plus the installment credit business, plus new home building, plus modern advertising must be thanked for the high wages, full employment, and general prosperity of today. Unfortunately, however, now that the economic

setup accepts the automobile industry as here to stay, some other new industry must come along to keep the prosperity ball rolling.

The radio industry, including broadcasting, has prolonged prosperity. Television has also been a big help. No new invention has yet equalled in economic importance, however, the internal combustion gas engine. This is now being used not only for automobiles and trucks, but for boats, ships, farm machinery, airplanes and even Junior's lawn mower!

Some big new industry must develop to provide work for the rapidly growing population and to take up the slack caused by the labor saving machinery which employers are installing to offset labor's demands for higher wages and fewer hours. Furthermore, such is needed to enable the Federal and State Governments to reduce taxes, which basically depend upon profits.

Looking over the field, I believe that air conditioning may partly fill the need. People in the United States now do not need more clothes, or more transportation, or more entertainment. Some do need more homes and furnishings. But the great majority of families already have these things. To sell some thing big to these 40,000,000 families, the appeal must be made by offering more comfort.

This makes me bullish on the air conditioning business. I believe that, in a few years, there will be more air-conditioning units than radios. New models are coming out which will look like furniture and not depend upon an open window. The demand for them will increase until every room of most homes and office buildings will require an air conditioner. Labor unions are already calling for air-conditioning factories.

I suppose that most of the models will be made by a few large companies. Their sale, installation and maintenance will, however, give employment and profit to millions of people. Any young man who is determined to know more than anyone else in his community about air conditioning has a great opportunity.

One more thought. We must not forget the possibilities of solar and gravity energy—also of atomic power. Just now the latter is handicapped because of the limited supply of uranium. But this will be only temporary. Uranium or its equivalent will be "bred" or made partially synthetically. This could provide cheap power, available everywhere, and revolutionize in-

dustrial and foreign trade, and perhaps eliminate war. This is really our best bet of all. Get into step with the coming Atomic Age.

RECIPES

Date Nut Bread

(This recipe was submitted by Mrs. Thomas Williams, Center Road, Route 1, Frankfort, Ill.)

Pour 2-3 cup boiling water over 1/4 cup softened butter or margarine, 1/2 cup chopped dates and 2-3 cup sugar. Let Cool.

Add 2 slightly beaten eggs and 1 cup chopped nut meats. (Black walnuts best). Mix well.

Sift together:

1 3/4 cup flour
1/2 teaspoon salt
1/2 teaspoon baking soda
add to first mixture, beat well.

Grease 2 No. 2 1/2 cans well. Cut brown paper to fit bottom of can. Grease paper well also. Fill cans 2-3 full, cover tops with cookie sheet or anything to set on top of can.

Bake in 350 degree oven for 40 to 50 minutes. Let stand in tin 15 minutes before removing.

This is a delicious holiday bread.

Amended Ordinance No. 4

An Ordinance amending "An Ordinance providing for the regulation and operation of the Water Works System of the Village of Tinley Park and fixing rates and charges for water and services furnished by said water works system."

Be it ordained by the President and Board of Trustees of the Village of Tinley Park, Illinois:

Section 1

That Section 13, Paragraph 2 and Paragraph 3; Section 14, Section 18, Section 19, Section 30 and 30 (a) of that certain ordinance entitled: "An Ordinance Providing for the Regulation and Operation of the Water Works System of the Village of Tinley Park and Fixing Rates and Charges for Water and Services furnished by Said Water Works System," adopted by the President and Board of Trustees of the Village of Tinley Park

on June 18, 1947, be amended as follows:

Section 13, Paragraph 2:

Strike out Paragraph 2 and replace the same with the following:

Where connections are made to the cast iron mains, the goose neck leading from the corporation to the buffalo box should be lead pipe of the quality known in commerce as strong or copper pipe of the quality known in commerce as Type K, and shall be at least three (3) feet in length. It shall be laid waving so that it shall be at least six (6) inches longer than if laid straight and shall be placed in such a manner as to prevent rupture or breaking caused by the settling of the ground. The pipe from the buffalo box to the meter should be copper pipe not less than Type K, or strong lead pipe. It shall be laid waving so that it will be at least one (1) foot longer than if laid straight and shall be placed in such manner as to prevent rupture or breaking caused by the settling of the ground.

Section 13, Paragraph 3:

Strike out Paragraph 3 and replace the same with the following: Connections made to iron mains shall be T type and follow the above specifications from tap to house.

Section 14, Cocks in Connections:

Strike out existing section, replace with the following:

A stop cock to be known as the service cock shall be inserted in each connection at a convenient point in the front roadway through which such connection passes and shall be placed a minimum of seven (7) feet and a maximum of eight (8) feet from the lot line on the street side or wherever there are curb lines established, the service cock shall be placed two (2) feet inside of such curb line. The service cock wherever possible should be laid at right angles to the tap and entry into the building.

Only improved extension service boxes with Minneapolis pattern curb stop and inverted key Minneapolis pattern round way with waste or equipment of equal specifications should be used and laid to extend six (6) inches above grade.

All service boxes must be set on bricks or concrete blocks and surrounded by gravel or stone. In all cases it shall be located and placed under the direction of the Water Superintendent and a record of the exact location thereof shall be made on the water map or profile.

Section 18:

Add the following paragraph to Section 18:

All meters installed in the Tin-

ley Park Water Department shall be manufactured by the Rockwell Meter Company and commonly known as the Arctic Water Meter, or manufactured by Badger Meter Company and known as Mode "A" Type 101 meter, with the following specifications:

Residential Property: % by % Water Meters

Stores, Apartment, Houses and Industry: To be specified by Water Superintendent

Section 19:

Amend Paragraph 1 to read as follows: Reading Meters, Rates, Billing, Collections, Unpaid Bills, and Service Charges.

Add the following paragraph which will precede Paragraph 5. To the amount of any statement of charges for water supplied there shall be charged a Seventy-five cent (75c) service charge provided said statement is not paid within (15) fifteen days from the date of rendering.

Section 19:

Insert the following four paragraphs (heretofore appearing as Section 30) just preceding Paragraph 8:

Unpaid Bill - Lien Against Property. That whenever a bill for water supplied remains unpaid sixty (60) days after it has been rendered, a lien is hereby declared on real estate of such owner whose property has been served with water and the water bill not paid sixty (60) days after it is presented.

The following remedies may be applied singularly, severally or cumulatively to enforce collections:

(a) By shutting off water supply;

(b) By suit at law for recovery of amount due, to obtain judgment and levy to make lien;

(c) By recording a notice or declaration of lien on specific property with the Recorder of Deeds or Registrar of Cook County, Illinois;

(d) By foreclosure of such lien.

If the address of the owner of said property be known he shall be notified by mail of said lien, and failure of payment of said bill for water supplied.

The water Department shall submit a statement of all delinquencies that come within the provisions of this section to the Water Committee for the recommendation of legal proceedings for the purpose of enforcing collection of said delinquent bills.

Section 30:

Delete the four paragraphs now appearing as Section 30, and substitute in place thereof the following:

All applicants for water service must make a deposit of Fifteen (\$15.00) Dollars with the Water Department as security for the payment of water to be consumed, for which sum of Fifteen (\$15.00) Dollars, a certificate of deposit will be issued. Upon surrender of this certificate of deposit, and the payment of all indebtedness to the water department, said sum of money will be refunded to the deposit or his assigns whenever the Village shall have discontinued the supply of water to said premises after due notice in writing to the Water Department so to do, upon such discontinuance; if there be any unpaid indebtedness due the Water Department for water or material supplied to said premises, the amount of said indebtedness shall be deducted from said deposit.

Section 30 (a):

Add the following paragraphs: In the event that any party of individuals, individual or the Village of Tinley Park wish water main extensions without the complete cooperation of all property owners in the area, the following device can be used to enforce equality of payment:

The Tinley Park Water Department, in all cases, will ad-

vertise for bids for the interest-ed parties and will accept the lowest bid. The Village of Tinley Park will set into motion the terms and provisions of the bid if cash money covering the total amount of the bid is deposited with the Water Department.

An escrow account will then be set up in the Water Department to cover this extension in full. As vacant property within the area is improved, each new water user will be assessed his proportionate share of the original main extension (this will be in addition to the tapping fee). This assessment will be based on a per foot computation of the cost of the original extension.

The money received by the Water Department from these assessments will then be returned to individuals, individual, or the Village of Tinley Park who originally paid for the extension.

Section 2

That all ordinances or parts of ordinances in conflict herewith are hereby repealed insofar as they conflict herewith.

Section 3

That this ordinance shall be in

full force and effect from and after its passage, approval and publication.

This ordinance was passed and deposited in the office of the Clerk of the Village of Tinley Park, Illinois, this 7th day of December, A. D. 1953.

Mrs. Knute Lovegren was notified Saturday of the death of her father, John Shultz who died in the hospital at LaSalle, where he had been a patient for the past 16 months. He was 79 years old. The Lovegrens drove to LaSalle Sunday, and returned home after the funeral, which was held Tuesday.

Sharon Rose VanderVeen, celebrated her fifth birthday, Saturday by entertaining 15 friends at a party in her home. A cousin, Lynn Tripp of Chicago, Elaine Steinborn, and children of the Dan Baskin, Peter Ellement, Robert Gloster, William Zimmerman, and Wilbur Bettendhausen families all of Tinley Park were guests. One of the games which provoked a lot of laughter, was pinning the whiskers on a Santa Claus face. After several more games, refreshments of ice cream and cake were served.

Carson Pirie Scott chorus gave their annual Christmas concert in Orchestra hall Sunday evening. Miss Joan Bernardini sings with this group.

Mr. and Mrs. Sebastian An-

dres entertained at dinner Sunday the Arthur Bettenhausen family, Mr. and Mrs. Russell Andres and son Ricky, and Miss Marian Andres.

Mrs. Omar C. Ebenhack who has been quite ill for sometime, remains about the same. Mr. Ebenhack, village clerk, who was caring for his wife had the misfortune of spraining his left ankle and is unable to be on his feet. His sister, Mrs. E. Stancel, of Clearwater, Mich., is here caring for both.

Guests in the Joe Andres home Sunday evening were, Edgar Cooper, and Mr. and Mrs. Charles Cooper of Orland Park. The latter are leaving Wednesday for an extended tour through the south.

Jennie Klepper has been confined to bed for the past weeks, and does not seem much better.

Mr. and Mrs. William McBurney attended the Cardinal-Bear football game, Dec. 12 held in Wrigley Field.

Mr. and Mrs. Nicholas Schullien and family and Mrs. Charles Smith attended the 25th anniversary of Scout troop 185, South west Council which was held in the Ogden Park Methodist church Dec. 14. Mrs. Schullien is a charter member of this troop and has maintained her membership continuously. The members have continued to meet and are now honored to have one of their group invited to attend the World conference at the Girl Scout Swiss Chalet in Switzerland this summer.

O. W. Bettenhausen of Wishek, N. D. who called at the Ben Bettenhausen home the week end of Dec. 5 left for Lakeland, Fla., and not California as previously stated.

Gerald G., son of Mr. and Mrs. Gerald Granat, and Arthur Jr., son of Mr. and Mrs. Arthur Granat celebrated their first birthdays, Sunday, Dec. 6 with a party in the home of Arthur Granat. Both boys were born Dec. 3.

Mrs. Rudolph Lillwitz entertained her bunco club Tuesday afternoon.

The missionary society met in the home of Mrs. Adella Sproat and Mrs. Robert Sproat Wednesday. Assisting hostesses were Mrs. Kenneth Richardson, Mrs. Henry Tilsy and Miss Dorothy Tilsy. A pot luck dinner was

served buffet style at noon. Mrs. Charles Sievert, president, was in charge. The following officers were re-elected for the coming year: president, Mrs. Charles Tilsy and secretary, Mrs. Arthur Lauffer. Devotions were given by Mrs. Daniel Sass. Mrs. Sievert, vice president, Mrs. Loren Sass; treasurer, Miss Car-Arthur Lauffer told "A Christmas story."

Women's club met with Mrs. John Hasbar in her home Thursday for their Christmas party. Mrs. Harold Mohney was co-hostess. A pot luck dinner was served at noon from a long table appointed with Christmas motifs. Mrs. Charles Ingram, president was in charge of the meeting. Mrs. Harold Mohney reported that Christmas gifts were sent to 11 service men.

Gifts were also sent by the club to each patient in the Will County sanatorium. The program was presented by Mrs. Herschel Aseltine and Mrs. Kenneth Richardson. They were also in charge of a game which was won by Mrs. Ingram. Members revealed themselves to their secret pals with gifts.

The Hadley Mother's club met in the school Wednesday night for their Christmas party. Following a short business session, various games, contests and relays were enjoyed under the direction of Mrs. Charles Ingram and Mrs. John Hasbar. After a gift exchange, refreshments were served. Mrs. Don Reid is taking orders for subscriptions to all magazines. Proceeds will go to the Mothers' club.

Mr. and Mrs. Russell Lauffer and family were guests Sunday night of Mr. and Mrs. Ray Carlson.

Questions and Answers
In last week's issue ten questions and answers were published. Seven more are published here.

11. How do taxes affect the volume of risk capital? The incomes we receive are first used to meet our expenses. Whatever is left is savings. We can invest all or part of our savings in a new business or a new product. Such invested savings are called risk capital because the investor is taking the risk of losing his savings in the hope of profit from his investment. High taxes may affect the volume of risk capital in two ways. First, taxes are really an expense which must be met out of income. When tax expense goes up, our ability to save is reduced. Second, high taxes may reduce the incentive to invest of those who do save. For example, the investor always runs a risk of loss. If the profits he may realize after taxes appear to be too small, he will refuse to take a chance of losing his savings.

12. Why aren't profits sufficient to provide the needed capital? In 1952, adjusted corporation profits, after taxes of \$20.6 billion amounted to \$19.6 billion. Of this total, some \$9.1 billion was paid out in dividends, and

\$10.5 billion was retained by the companies. These dividend payments amounted to only 3.1% of the national income as compared to 6.6% in 1929 and 4.9 percent in 1940. In other words, the owners of American corporations are relatively worse off now than in the past and fear has been expressed that investment will suffer unless dividend payments are increased. If the profits, after taxes, kept by the companies, much had to be used merely to replace existing worn-out equipment with the higher priced tools of today. Little was left for expansion through provision of additional plants, equipment, and tools. In any case, providing capital solely through retained profits means that existing businesses might be expanded, but there would be little chance of establishing new businesses. Yet the giant businesses of today were once tiny new enterprises financed by risk capital.

13. Why do policies of the national government have a direct bearing on the extent to which the nation can move forward to higher levels of prosperity through the individual enterprise system? Because our national government does not produce the thousands of goods and services which go into our standard of living, it cannot contribute directly to our well-being regard less of how big it becomes. Growth of government in power and cost can, however, block our path to peace-time prosperity and progress. First, as government power increases, freedom and opportunity for the individual is necessarily reduced. This strikes at one of the fundamentals of our system which is supremacy of the individual. Big taxes needed for big spending by Big Government undermines the other fundamentals of the individual enterprise system. The hope of reward or compensation is dulled when taxes take too much of one's income. The right to accumulate private property is restricted by big taxes and the use we make of private property may be warped by tax policies. Finally, free competition may be impeded by tax policies which penalize one type of business more than another, or by tax rates which destroy much of the ability of Americans to save and their incentive to invest in new businesses or new products.

14. What does "Bring Government Back Home" have to do with all this? When necessary government functions are performed close to the people there is less threat to individual freedom and opportunity than when these same functions are handled by a centralized government. In addition, local state governments operate under the watchful eyes of the taxpayers and are likely therefore to carry out their functions more efficiently and at less cost. Bringing government back home from Washington to the state capitals, county courthouses, and city halls would, therefore, first reduce the power of Big Government and safeguard our liberty. Secondly, this movement can be expected to reduce the total cost of government considerably to permit the tax reductions so necessary for future progress and prosperity.

15. Have state and local func-

tions been usurped by the national government? No state and local functions have been usurped by the federal government in the accepted meaning of that word. Tax resources have been usurped, or preempted by the national government. In addition, there is extensive duplication of services between federal and state authorities—examples are in agriculture, conservation, the regulatory bodies, housing, and highways. Where there is conflict, the federal government usually comes out on top because of the theory of the pre-eminence of federal law.

16. How much money is involved in the functions now performed by the national government that should be performed by private organizations or by the states and local governments? Savings possible by reallocating national government functions to private enterprise or state and local governments are summarized below from data in the 1954 budget submitted by ex-President Truman. These data are the latest available.

1954 (millions) estimates

Federal grants to states & localities \$2,959
Power and related projects (a) 772
Lending and use of federal credit (b) 2,388
Supports (c) 1,670
Total \$7,789
(a) excludes single purpose projects, such as flood control, irrigation, or water conservation.
(b) Excludes loans by Mutual Security Administration and RFC.
(c) Includes only Commodity Credit Corporation and international wheat agreement.

Bear in mind that in shooting at the goal of some \$7.8 billion in savings, we are including activities and responsibilities to be assumed privately in addition to the return of functions to state and local governments.

17. What tax resources should be returned to the state and local governments? Gasoline and oil taxes, estate and gift taxes are the specific tax sources proposed for exclusive state use. The tax resources of the states would be increased by reducing

the toll levied on the peoples' tax capacity by the federal government. The states must remain free, however, to devise and apply their own tax methods.

CARD OF THANKS

I wish to thank the dear people who sent me many, beautiful and cheerful Get Well cards; and the friends and relatives who have done so many other kindnesses for me and mine during my stay at the hospital and since my return home.

LILLIAN B. ZECHLIN

CARD OF THANKS

BREIDERT, Emma--We wish to thank our relatives, friends, neighbors, the Women's Guild, and the Royal Neighbors for the floral offerings, the kindness and sympathy shown us during our recent bereavement. We especially wish to thank Rev. Erich Bizer for his comforting words.

Mrs. Andrew Eisenbrandt and family

Bobby Breidert, son of Mr. and Mrs. Burton Breidert went to

Dearborn, Mich., via train and spent the week end with Mr. and Mrs. Floyd Lankenau.

The Frankfort Dart Ball team of St. Peter's Evangelical church defeated the Manhattan team of St. Paul's Evangelical church by a score of 6-0 last Wednesday evening in the church parlors.

Mr. and Mrs. John Weiten-dorf were hostess to the After-noon pinocle club at a pot luck Christmas party recently. The members brought their hus-bands with them for the event.

Dale Ebert, son of Mr. and Mrs. Edmund Ebert spent the past week with his grandmother Mrs. Sophia Barton at Manhat-tan.

Mr. and Mrs. Kenneth Mad-son of Kankakee have moved in-to the apartment vacated by the Robert Smith family on Center and LaPorte road.

Mr. and Mrs. Walter Betten-hausen were among those who attended the first birthday of Pamela, daughter of Mr. and Mrs. Louis Bettenhausen at

Blue Island. A six o'clock dinner was served to 22 guests.

Sunday evening the Amite club met in the home of the president, Mrs. Walter Pfaff. Assisting hostess was Mrs. Henry Breidert. A five o'clock pot luck buffet dinner was served and a gift exchange was held. The ta-ble decorations were carried out in the Yule motif in red and sil-ver, the centerpiece being a cor-nucopia and a 12 tier candle holder. Rev. and Mrs. Erich Bizer were guests. Members attend-ing were Mr. and Mrs. John Weiten-dorf, Mr. and Mrs. Geo. Elsner, Mr. and Mrs. George Heisner, Mr. and Mrs. Fred Kohlhaagen, Mr. and Mrs. Wil-liam Wischovor, Mr. and Mrs. Fred Heusner, Mr. and Mrs. Ed. Warn-ing, Mrs. Fred Kohlhaagen, Wal-ter Pfaff and Fred Kohlhaagen.

The annual Sunday school Christmas party of the Methodist church was held Sunday, Dec. 13 at 1:30 o'clock in the church parlors. Games were played af-ter the rehearsal, and later re-freshments were served by Mrs. Frank Heisner's class. Children brought money in a little re-cycling and hung it on the Christmas tree which will go to the Missionary fund. About \$30 was collected.

Mr. and Mrs. Leo Peterson were hostesses to their club at a Christmas party and gift ex-change Saturday night to Mr. and Mrs. Leroy Hansen, Mr. and Mrs. Albert Krusemark, and Dr. and Mrs. Claude Otto. A so-cial evening was enjoyed.

Mrs. Anna Wams of Chicago spent several days last week with Mrs. Andrew Eisenbrandt.

Mr. and Mrs. Arthur Borg's supper guests Sunday were Mr. and Mrs. Richard Borg, Douglas and Patrick of Batavia, and Wal-ter Bosik of Chicago.

The Women's club will meet in the home of Mrs. Wendell Morrison Thursday evening for their annual Christmas party. Mrs. Herbert Folkers, president, will preside at the business ses-sion. There will be a 50 cent gift exchange. The theme of the pro-gram will be "Christmas in oth-er Lands." Hostesses will be Mesdames George Heisner, W. V. Hedges, Conrad Oetter, Don-ald Carroll, Glenn Ferrel, Wen-dell Morrison and Miss Lois Bet-tenhausen.

Mrs. Herbert Folkers attend-ed the meeting in Joliet of the Trailway Council board of Girl Scouts, Tuesday evening.

Lt. George Folkers left Sun-day for Camp Atterbury, Ind., where he has been assigned to the 31st division.

Mrs. Kenneth Waldvogel re-turned to her home recently, after assisting at the bedside of her nephew, 10 year old Ricky, son of Mr. and Mrs. Gordon Zortmann, of Smithland, La. Ricky is very ill at Sioux City, La. At first it was thought he had polio. Then his ailment was diagnosed as sleeping sickness, but to date the doctors are not sure as to just what he is suffer-ing from. Mrs. Robert Elsner is with Ricky at this time.

The auxiliary of the Bobzin Swinford American Legion en-

tertained the Will County coun-cil of the auxiliary at a pot luck dinner in the village hall las-t Tuesday. The next meeting of the council will be held in Feb-ruary. They meet six times a year. Representatives were pres-ent from Steger, Joliet, Manhat-tan, Elwood and Peotone who each gave reports.

Mr. and Mrs. William Brei-dert, Karen Jean and Mrs. Vic-toria Hossbach were recent din-ner guests of Mr. and Mrs. Louis Rehberg at Monee.

Mr. and Mrs. Conrad Haakin-son entertained Sunday at a six o'clock dinner in the home of her parents, Mr. and Mrs. Elmer Batson. Guests were Mr. and Mrs. Ed. Dorbani, Blue Island; Mr. and Mrs. Harold Scheer and family; Mr. and Mrs. Orval Schroeder and family; Mrs. Anna Scheer; Milton Batson and Mrs. Lena Swanson.

The Women's Guild of the St. Peter's church met last Thursday afternoon in the church parlors beginning with a pot luck din-ner at 12:30, followed by a short business meeting when the fol-lowing new officers were instal-led: president, Mrs. Alvin Har-nack; vice president, Mrs. Elmer Batson; treasurer, Mrs. Clark Bennett. The following chairman were also installed: educational, Mrs. Richard Oetter; spiritual life, Mrs. Fred Heusner; Chris-tian citizenship, Mrs. Burnett Schram; membership, Mrs. Gil-ber Voss; missionary, Mrs. Bert Larson; thank offering, Mrs. Burton Breidert; stewardship, Mrs. Joe Scott; way and means, Mrs. Alfred Zechlin. The pro-gram rendered was in the tradi-tional Christmas spirit, includ-ing the reading of Bible selections with the candlelight service, fol-lowed with an exchange of gifts.

Mr. and Mrs. William Breidert observed their fifth wedding an-niversary Sunday. They enjoyed dinner at Chuck's Cavallinis at Midlothian.

Mrs. Catherine Seibert of Col-

orada and daughter Michele, 9 years old are making their home for the present with her sister, Mr. and Mrs. Walter Grotewala.

Mr. and Mrs. Lester Gay and Mr. and Mrs. Alvin Harnack were Sunday evening guests for a turkey supper in the Kenneth Heusing home.

Among those who attended the 50th wedding anniversary of Mr. and Mrs. John Felten at Peotone which was held in the American Legion hall, were: Mr. and Mrs. John Weiten-dorf, Mr. and Mrs. Frank Marti, Mr. and Mrs. George Hasenjaeger, Mr. and Mrs. Raymond Klemm and William Weiten-dorf.

Local Herds Top Production in November Report

The Holstein herd owned by Louis Lauffer and Son, Mokena,

with an average production of 1277 pounds of milk and 46.3 pounds of fat, topped the No-vember report of Frederick A. Holm, tester for the Dairy Herd Improvement association No. 1.

Also owned by Lauffer is the high ranking individual cow with 1810 pounds of milk and 92 pounds of fat, and the third ranking individual, which pro-duced 1820 pounds of milk and 90 pounds of fat.

The herd of Walnut Grove Farm, Tinley Park, and that of Raymond Sippel, Mokena, were among the four other high rank-ing herds, with 849 pounds of milk and 33 pounds of fat, and 847 pounds of milk and 32.1 pounds of fat, respectively. Mel-vin J. Heisner, Peotone, and Her-bert Kohl, Matteson, also placed high on the list.

Henkeview Farms, Tinley Park took second and third places with high ranking individual cows which gave 1920 pounds of milk and 92 pounds of fat, and 1890 pounds of milk and 87 pounds of fat. Walnut Grove farm placed fourth in that sec-tion with 1510 pounds of milk and 82 pounds of fat.

Mokena Gives Cash, Corn For Foreign Relief

One hundred and 22 bushels of corn, worth \$183, and \$336 in cash have been collected in the Mokena community for the Christian Rural Overseas pro-gram.

Solicitors for the drive, which was organized to include the north half of Frankfort town-ship and parts of Orland and Homer townships, are William Bernard, Milton Bettenhausen, Erwin Holm, Raymond Knier-iem, Raymond Kohl, Wilbert Lauffer, Robert Nieman, Will-

iam Weber, Norman Yunker and James Tilsy.

According to Wilbert Lauffer, chairman, the program nation-ally has collected more than 12 millions in money and food in the five years of its existence. It has provided food for millions and has helped to establish friendship and faith following

the oppression and suffering of wars.

The cash obtained is used for transportation and distribution of surplus powdered milk made available from government stocks. Foods, seeds, tools and animals help to give a new start for destitute people overseas.

Long Distance Lines
will be busy this Christmas!

"Avoid the rush—call before Christmas Eve or after Christmas Day!"

"Remember, reduced Long Distance rates are in effect Saturday after six p.m. and all day Sunday!"

"Another tip for faster service—call by number when you can!"

"We're just three of thousands of telephone operators who'll be on the Long Distance switchboards Christmas Day.

"But even with every switchboard in service, there'll be such a flood of calls we won't be able to take care of them all at once. There are bound to be some delays.

"Of course, we'll do our best to put each call through. We know how much it means to friends and relatives who can't be together during the holidays—and to service men and women who are far from home.

"To avoid the rush—and get faster service on your Long Distance calls—we suggest you make them before Christmas Eve or after Christmas Day.

"And all of us at the telephone company wish you a very Merry Christmas."
